KEYS: We can say ...

SECTION ONE : READING COMPREHENSION

(7 points)

We can say

Answer the following questions according to the text.

1. What is the problem of all world governments? (1.5)
- Population growing faster than local resources.
2. Why was the growth rate stagnant before 1750? (1.5)
- Because birth rates and death rates were equal.
3. What is the positive result achieved by Tunisia? (2)
- A drop in the growth rate from 3.1% to 1.9%.
4. Why is it important for developing countries to pay attention to the problem of population growth? (2)
- In order to avoid problems in education, housing, employment and thus guarantee a decent life.

SECTION TWO : MASTERY OF LANGUAGE

(8 points)

Synonyms:

- (a) debates (§1) (b) stagnant (§2) (c) went down (§3) (1.5)

Opposites:

- (a) more (§2) (b) went up (§3) (c) positive (§4) (1.5)

Transformations:

1. (b) A lecturer said that the population growth was / had been stagnant. (2)
2. (b) Various organisations encourage countries to control their growth rate.
3. (b) Population growth concerns all governments.
4. (b) An economist said, "We / You have to strike a balance between food production and population growth."

Cloze passage:

Townpeople, when they go to the countryside, often think it is a quiet, peaceful holiday resort where they can / could relax and have fun. They see the fields, the crops and the flowers and think the villagers / people / peasants have an easy, happy life. They don't / hardly realise that farm workers must work long hours / days in all kinds of weather. Townpeople don't experience the monotony of country life, the lack of services or / and entertainment. (3)

SECTION THREE : WRITTEN EXPRESSION

(5 points)

Choose one of the following topics.

Either 1: Using the following notes, write a composition of about 80 to 120 words.

It is necessary to learn a second language to communicate with other people. What language do you prefer? Why?

Or 2: Write a composition of about 80 to 120 words on the following topic.

What is the best solution to solve the problem of population growth in your country?
